SPECIAL CONDITIONS — COVID 19 PANDEMIC

INTRODUCTION:

In light of the Covid 19's pandemic which has been affecting matters around the world since January 2020, we wanted to uphold our 2020 and 2021 initiative and have decided to make our 2024 General terms and conditions of Sale more flexible, in order to do our best to support our clients and partners.

Therefore, for all contracts signed in 2021 or 2022, the provisions of Article 6.2 "Postponement or cancellation of the Event" of our General terms and conditions of Sale are replaced by the following:

"If, for any reason whatsoever and including force majeure, the Organiser is forced to postpone or cancel the Event, the following provisions shall apply, as an exception to the provisions of Article 6.1 above. Regarding the application of the provisions of this article, it is hereby specified that communications between the Organiser and the Exhibitor may be made by letter or email. After the announcement of the postponement or cancellation of the Event by the Organiser, each Exhibitor shall have a period of 10 working days to inform the Organiser of their decision. If no reply is received from the Exhibitor within the time limit specified, the Organiser reserves the right to decide which option shall apply.

6.2.1 – If the Event is postponed ("postponement" being understood to mean a new date within 12 months of the previously announced date):

•CASE 1: If the Exhibitor accepts the postponement: Its Contract is automatically postponed to the new date. The amount due under the Contract shall remain due in full, with each Party responsible for paying its own costs linked to the change of date.

•CASE 2: If the Exhibitor does not accept the postponement of their participation in the Event (whatever the reason for the refusal, including a case of force majeure impacting it), then the Exhibitor may select one of the following two options:

- Option 1: To receive a credit note for a future event organised by the Organiser, corresponding to the amounts already paid by the Exhibitor in performance of the Contract;

- Option 2: The sums already paid by the Exhibitor shall be refunded in full. This refund shall be subject to a deduction equivalent to 20% of the overall total due under the Contract (exc. VAT) in order to cover part of the costs incurred by the Organiser in the event of the postponement being announced less than 30 days before the initial date of the Event.

6.2.2 – If the Event is cancelled, the Exhibitor may select one of the following two options:

•Option 1: To receive a credit note for a future event organised by the Organiser, corresponding to the amounts already paid by the Exhibitor in performance of the Contract;

•Option 2: The sums already paid by the Exhibitor shall be refunded in full. This refund shall be subject to a deduction equivalent to a percentage (see below) of the total due under the Contract (exc. VAT) in order to cover part of the costs incurred by the Organiser. Consequently, if the announcement of the cancellation is made between:

- 30 days and 21 days before the opening of the event, the Organiser shall refund the sums already paid by the Exhibitor subject to a deduction equivalent to 5% of the overall total due under the Contract (exc. VAT).

- 20 days and 11 days before the opening of the event, the Organiser shall refund the sums already paid by the Exhibitor subject to a deduction equivalent to 10% of the overall total due under the Contract (exc. VAT).

- 10 days and the opening date of the event, the Organiser shall refund the sums already paid by the Exhibitor subject to a deduction equivalent to 20% of the overall total due under the Contract (exc. VAT).

In the case the cancellation occurs while the Event has already begun the Organiser shall refund the sums already paid by the Client subject to a deduction equivalent to: (i) A sum corresponding to 20% of the overall total due under the Contract (exc. VAT) in order to cover part of the costs incurred by the Organiser to install/prepare the Exhibitor's area, (stand, etc.) and (ii) a set share of the remaining amount corresponding to duration for which the Event had been open. This calculation shall be made on a pro rata basis, using the following formula: Complementary Part: 80% of the global amount of the Contract X [the opening period of the Event / the planned period of the Event].

If the Event is postponed several times, the "initial date" is understood to be the date announced with the previous postponement.

If the Event has a hybrid format ("physical" on-site event and online event via internet), only the "physical" part of the Event is postponed or cancelled, the above conditions shall only apply to the part of the Contract amount associated with the Exhibitor's physical presence at the Event. »

RULES OF THE EVENT

INTRODUCTION

The purpose of these Regulations is to provide details on the conditions applicable to the Exhibitor's participation in the Mondial des Vins Blancs de Strasbourg Trade Show, organised by Strasbourg Events at the Parc des Expositions (Strasbourg Exhibition Centre).

The Mondial des Vins Blancs Trade Show is reserved for businesses associated with the business sectors listed in the registration form, page 1.

In the event of contradictions between the various contractual documents, the provisions of these regulations will take precedence over those of the General Terms and Conditions of Sale and the Contract, the registration form, and any other applicable documents relating to the Exhibitor's participation in the Mondial des Vins Blancs de Strasbourg Trade Show.

The Organiser reserves the right to amend or supplement these regulations whenever necessary in order to ensure that the Event runs smoothly.

1- APPLICABLE DOCUMENTS

Within the context of its participation in the Mondial des Vins Blancs de Strasbourg trade show, the Exhibitor undertakes to familiarise itself and comply, at all times, with the following documents:

- Internal regulations of the venue
- Safety specifications,
- Rules regarding space installations, etc.

These documents can be consulted at the following web address: <http://https://www.mondial-vins-blancs.com>

The Exhibitor also undertakes to respect the regulations applying to commercial events and to health and safety.

2- REGISTRATION PROCESS

Participation applications are to be submitted exclusively via the forms in paper format or in electronic format, available at the following web address: <http://https://www.mondil-vins-blancs.com>

3- EXHIBITION SPACES – STANDS

The Organiser is responsible for allocating exhibition spaces, taking into account the layout, traffic and technical requirements associated with the Strasbourg Exhibition Centre, and the requests and needs of the Exhibitor. The organiser reserves the right to make any necessary changes to stand installations.

Areas will be allocated to suit requirements as far as possible. However, if the allocated areas are smaller than those requested, the deposit will be adjusted accordingly.

The Organiser is responsible for general decoration. The Exhibitors' stands are provided with the equipment and decorations selected by the exhibitor from the choices offered by the Organiser. Exhibitors requiring a specific type of stand must provide a layout plan before the opening of the Event. The Organiser reserves the right to request any alterations, particularly relating to safety or compliance with the general decoration.

Anyone intervening on behalf of the Exhibitors, such as service providers, decorators, installers, etc., must have insurance coverage against any inherent risks in their activity, the consequences of their activity, or their simple presence in the venue; each Exhibitor must verify the respective coverage.

The Exhibitor and its service providers undertake to comply with the internal regulations of the Strasbourg Exhibition Centre and, in particular, not to damage the stand equipment

provided.

The Exhibitor is responsible for the delivery and arrangement of its equipment.

Installations must respect the health & safety rules, which can be viewed at: <http://https://www.mondil-vins-blancs.com>. More particularly, all fabrics must be fireproofed and electrical installations must comply with the applicable standards. Neon lights and moving equipment (turntables, etc.) must not be accessible to the public.

4- ADMISSION

All applications will be assessed by the Organiser, which has total freedoms over the final decision.

In accordance with the General Terms and Conditions of Sale, it is specified that the Organiser reserves the right to postpone or cancel the event, particularly if an insufficient number of Exhibitors have registered.

It should also be specified that the costs incurred by the Exhibitor in participating in the event will remain payable, even in the event of the postponement or cancellation of the Event. The admission of the Exhibitor and the allocation of a space will only be valid for the said Exhibitor.

However, the Exhibitor may host another exhibitor in its allocated space, under the terms of Article 2.2 of the General Terms and Conditions of Sale.

5- TERMS OF PAYMENT

The admission application must be accompanied by the first payment/deposit set by the Organiser and indicated in the registration form, and by the payment of the file opening fee. The Organiser will retain these fees regardless of the outcome of the admission application.

If the application is unsuccessful, the first payment/deposit will be returned after the application fee has been deducted.

Payments must be made by the Exhibitor according to the following schedule:

- 40% deposit inc. VAT, paid in full upon registration
- Remaining balance (inc. VAT) paid by 24th February 2024

6- MANDATORY SERVICES

In order to ensure that the Mondial des Vins Blancs de Strasbourg Trade Show runs smoothly, and given the constraints linked to incorporating networks into the building, the necessary knowledge of the Strasbourg Exhibition Centre, and its layout and equipment, the Exhibitor must use the services of the service providers listed below for the following services:

- Cleaning: STEM
- Waste management: PAPREC
- Electricity: Strasbourg Events
- Safety: MY SECURITY
- Catering: Caterers listed by Strasbourg Events – Hospitality Department

7- INSURANCE

The Exhibitor must take out the insurance against property damage offered by the Organiser, details of which are provided in the registration form and the information leaflet sent to the Exhibitor at first request (namely clauses, guarantees, premium payments, and exclusions).

This insurance covers the Exhibitor's goods up to a value of €10,000 (ten thousand euros). Beyond this coverage, the Organiser may request an additional insurance guarantee. The guarantee period provided by this mandato-

ry insurance covers the period during which the Event is running and until it closes to the public.

Outside this period, the Organiser declines all liability for any theft and/or damage.

8- INVITATIONS

The Organiser will provide the Exhibitor with 100 e-invitations for people or companies they wish to invite to the Mondial des Vins Blancs de Strasbourg trade show. Unused invitations cannot be returned, refunded or exchanged.

The circulation and/or sale of invitations issued by the Organiser is strictly prohibited on the site and in the immediate surroundings of the Event. Legal action may be taken in the event of the reproduction or sale of these invitations.

The Organiser reserves the right to deny access to or expel any person, visitor or exhibitor, whose presence or behaviour is prejudicial or likely to cause harm to

- the protected interests of consumers or business ethics,
- the safety, peace or image of the event,
- or the integrity of the Venue.

9- MEDIATION

The Exhibitor must comply with the applicable regulations relating to consumer sales and distance selling. In particular, pursuant to Article L152-1 of the French Consumer Code, the Exhibitor undertakes to grant the consumer effective recourse to a consumer mediation system. The Exhibitor may set up its own consumer mediation system or offer the consumer recourse to any other consumer mediator which meets the requirements under the French Consumer Code.

If there is a consumer mediator with jurisdiction covering all of the companies in a given field of economic activity, the Exhibitor shall always allow the consumer to access it.

Under no circumstances may the Organiser be held liable in the event of a dispute arising between an Exhibitor and a client or visitor. The Organiser will be informed of the dispute, but will have no obligation to act as mediator or arbitrator.

By registering for this Event, each Exhibitor agrees to follow these rules.

INTRODUCTION – The Exhibitor and the Organiser (hereinafter individually referred to as the "Party" or collectively as the "Parties") collaboratively defined and agreed upon the terms and conditions for the participation application submitted by the Exhibitor to the Organiser. Following their discussions, the Exhibitor and the Organiser agreed to collaborate according to the conditions set out below. With this in mind, this Contract replaces any other document previously exchanged between the Parties.

Within this context, both the Exhibitor and the Organiser declare that they have received all the information required to engage in their commitments, and that they have also fully understood and accepted their respective commitments under the terms of this Contract. In this respect, the Exhibitor acknowledges that its essential obligations under the Contract are as follows:

- (i) to transmit all information and/or elements and/or to perform all the formalities required to enable the Organiser to carry out the Services,
- (ii) to pay the Contract price in full, on the dates indicated, including any contribution to insu-

rance fees, if applicable.

The Organiser recognises that its essential obligation is to deliver the Services agreed and described in the Quote, within the required time frames and according to the required quality standards, with an obligations of means. This also applies to any purchase orders for additional services.

ARTICLE 1 – ORDERING SERVICES

1.1 Participation applications are submitted via specific paper or electronic forms for each Event. They are to be completed and signed by the Exhibitors. Where the participation request is made by a legal person, the entity's legal form, capital and registered office shall be indicated. These forms shall be signed by the applicant's legal representatives or by any physical person fully authorised for this purpose. The Contract is firm and definitive, and the Exhibitor is thus committed to pay the total due under Contract upon the Organiser's receipt of the Participation Form returned signed by the Exhibitor; subject to any duly justified refusal by the Organiser, as referred to in Article 3 below. If the application is submitted in electronic format, it must be completed and signed in accordance with the procedures set out in Article 1.2 of these GTCs. The participation application is firm and definitive, subject to a potential refusal by the Organiser for justified reasons, as set out in Article 3 below.

Any participation application implies the Exhibitor's full acceptance of:

- This Contract;
- The safety specifications – internal regulations of the venue hosting the Event;
- The special technical regulations listed in the Exhibitor Space and/or in the Exhibitor Guide (regulations regarding access to the Venue, waste processes, etc.).

The Contract therefore comprises all of the aforementioned documents, as well as all provisions relating to public order applicable to Events organised in France. The Exhibitor also undertakes to comply with any new provisions that it may be notified of by the Organiser, even verbally, if the circumstances or the interests of the Event so require.

1.2 - ORDERING SERVICES VIA AN ELECTRONIC MEDIUM

If Exhibitors submit their participation request using an electronic medium, they must login to their Exhibitor Area with the identifier and password that the Organiser already sent them by email. When logged in to their Exhibitor Area, Exhibitors have access to the interface that enables them to create and complete their participation request.

After filling in all of the required information, Exhibitors can then access a page containing a summary of their participation application, the terms of payment for the deposit, and the content of the Contract. The Exhibitor acknowledges that it has fully understood and accepted the provisions of the Contract prior to confirming their participation application by clicking on the button or text provided for this purpose. The Exhibitor is hereby informed that by clicking on the confirmation button or text, it shall be deemed to have signed and unconditionally accepted the Contract, which is firm and definitive, subject to any potential refusal by the Organiser for justified reasons, as set out in Article 3 below. After validating their request, Exhibitors receive an email confirming that the Organiser has received the request and is processing it. This email also contains a summary of the request and a copy of the Contract in PDF format.

ARTICLE 2 – EXHIBITOR & CO-EXHIBITOR

2.1 Based on the information provided in its participation application, if the Exhibitor is an importer or manufacturer representative, considered to be a business intermediary, it must submit a brand/model "certificate", signed by each of the firms with products or materials that will be exhibited. These special forms must be requested from the Organiser.

The Organiser reserves the right to check that the equipment or product exhibited complies with the nomenclature provided in the participation request form. If any of the above guidelines are not followed, the Organiser shall be obliged to take action, and possibly close the non-compliant exhibition space or terminate the Contract.

2.2 Where authorisation is granted by the Organiser in the Participation File, any co-Exhibitor that participates in an Event using the exhibition space of another Exhibitor, even on a one-off basis, must formally inform the Organiser of their presence, by completing a participation request and entering into a Contract with the Organiser, according to these terms and conditions. A registration fee and insurance costs will be charged. This Contract shall provide all the benefits enjoyed by an acknowledged Exhibitor (registration in the guide, insurance, etc.). Furthermore, the co-Exhibitor must comply with the obligation to leave their equipment/material at their exhibition space for the entire duration of the Event, as no equipment removal is permitted during the Event. The primary Exhibitor may host a co-exhibitor provided that the minimum surface area allocated to each Exhibitor on the same exhibition space is ≥9 sqm (e.g., 1 co-exhibitor, if exhibition space ≥18 sqm; 2 co-exhibitors, if exhibition space ≥27 sqm), unless otherwise indicated in the Exhibitor Space of the Event in question.

2.3 For the duration of the Event, within the venue and its immediate surroundings, all Exhibitors are prohibited from any act or conduct that may constitute parasitic behaviour or unfair competition with regard to the Event and/or its Exhibitors and/or Partners. Moreover, the Organiser reserves the right to temporarily or permanently refuse access or expel any Exhibitor displaying behaviour which is detrimental to the peace or safety of the Event, the Organiser, and/or other Exhibitors and/or visitors.

ARTICLE 3 – RESERVATION VERIFICATION, ADMISSIONS OR REFUSALS –

At all times following receipt of the participation request, as referred to in Article 1 above, the Organiser has the final decision regarding admissions or refusals, with no right to appeal. A participation application may therefore be refused by the Organiser (which shall provide justification for its refusal), particularly with regard to the provisions of Articles 2 and/or 9 hereunder, if applicable, with regard to the suitability of the Exhibitor's offer in relation to the Event's strategic positioning. The exhibition spaces shall be marketed again for each new instalment of an event; no Exhibitor can therefore claim to have enjoyed a specific space during previous events, in order to request the same space again. Furthermore, an Exhibitor whose participation request is refused in accordance with the provisions of this Article may not contest the refusal on the basis that their participation was accepted at previous Events, nor may they argue that they were invited to take part by the Organiser. The fact that the Organiser refuses the Exhibitor's participation may not give rise to the payment of any compensation, other than the reimbursement of the amounts already paid to the Organiser, excluding the administrative costs of opening the file, which shall be retained by the Organiser. The consequences of a withdrawal are set out in this Contract.

ARTICLE 4 – LOCATION – If the circumstances require it, and particularly in cases of force majeure, the Event Organiser reserves the right to change the venue(s) of the Event at any time, whilst remaining within the same trading area for the Event, without the validity of the Contract being brought into question. The new venue(s) for the Event shall be chosen as far in advance as possible, taking into account the constraints of all of the stakeholders involved (Organiser, Exhibitors, sponsors, visitors, etc.).

ARTICLE 5 – PENALTIES IN CASES OF NON-PERFORMANCE OF THE CONTRACT

5.1 NON-PERFORMANCE EXCEPTION – In accordance with the provisions of Articles 1219 et seq. of the French Civil Code, the performance of the Contract may be suspended by either Party in the event of the other Party failing to perform any of its essential obligations, after formal notice has been served by letter sent with tracked delivery and acknowledgement of receipt and has remained without effect for the time frame quotes in the terms of this letter. All costs resulting from the recovery of the performance of the Contract by either Party shall be invoiced to the defaulting Party, based on supporting documents proving the costs incurred. At the end of this period, if no change has occurred to enable the resuming of the performance of the Contract, then the Contract shall be automatically terminated to the detriment of the defaulting Party. The latter shall be notified of the termination by means of a letter sent with tracked delivery and acknowledgement of receipt.

5.2 TERMINATION OF THE CONTRACT – It is expressly agreed between the Parties that failure by either Party to fulfil any of their essential obligations as set out in the introduction above may result in the termination of the Contract, after the defaulting Party has been given formal notice by letter sent with tracked delivery and acknowledgement of receipt, and no action has been taken to remedy the situation within the deadline provided. The latter shall be notified of the termination by letter sent with tracked delivery and acknowledgement of receipt, and the termination shall take immediate effect. In the case whereby the termination is due to a fault on the Exhibitor's part: The Exhibitor shall pay (upon receipt of the invoice) all of the costs incurred by the Organiser – duly justified, but no less than 10% of the amount of the Contract – for the performance of the Contract up to the date of termination, as well as compensation, which will be calculated as follows:

- 1/ Termination between the date of the Contract's signature and the 181st day before the Event's opening date: 50% of the total due under the Contract;
 - 2/ Termination between the 180th day and the 121st day before the Event's opening date: 75% of the total due under the Contract;
 - 3/ Termination between the 120th day and the Event's opening date, or during the Event: 100% of the total due under the Contract.
- In the event of termination due to a fault on the Organiser's part: The Organiser will refund any advance payments made, subject to deduction of the sums corresponding to services correctly performed and duly justified by the Organiser up to the date of termination, which will be owed by the Exhibitor. In all cases, the Organiser's liability shall be limited to the provisions set out in Article 33.3.

5.3 FORCED PERFORMANCE – Given the specific nature of the Services concerned and the essential expertise required to perform the Organiser's obligations in line with the terms of the Contract, the Parties expressly agree to waive the application of the provisions set out in Articles 1221 and 1222 of the French Civil Code.

ARTICLE 6 – POSTPONEMENTS, CANCELLATIONS, FORCE MAJEURE – COVID 19

6.1 – General provisions

Pursuant to the provisions of Article 1218 of the French Civil Code, the obligations of the Parties shall be suspended in the event of a case of force majeure. By express agreement, the following events shall be considered as cases of force majeure: (i) war, riots, fire, strikes, natural disasters, shortages of raw materials, epidemics, pandemics (including that linked to COVID-19), transport strikes, administrative closure of the Venue by a competent authority with the requisite power in terms of the police and safety issues, even if all legal conditions and jurisprudence concerning force majeure

are not met; (ii) a proven threat of terrorism or the occurrence of an act of terrorism.

The Party victim to the case of force majeure shall notify the other Party by means of a letter sent with tracked delivery and acknowledgement of receipt as soon as the force majeure arises, and the performance of its obligations shall then be suspended.

(i) If the inability to act is temporary, the performance of the obligation shall be suspended, unless the resulting delay justifies the termination of the Contract. If the Contract is upheld, the Exhibitor shall pay the Organiser any costs incurred during the suspension of the Contract, along with any other costs that may be incurred upon resumption of the Contract, based on supporting documents proving the costs incurred.

(ii) If the inability to act is definitive, the Contract shall be validly terminated and the Parties shall be released from their obligations. The termination shall result in the payment of the invoice issued to cover all of the internal and external costs incurred by the Organiser for the performance of the Contract up to the date of the occurrence of the force majeure event.

6.2 – Postponement or cancellation of the Event

In the scenario whereby, for any reason whatsoever and including cases of force majeure, the Organiser is forced to postpone or cancel the Event, the following provisions shall apply, as an exception to the provisions of Article 6.1 above. It is specified that, for the application of the provisions of this article, communications between the Organiser and Exhibitor may be made via post or email. After the announcement of the postponement or cancellation of the Event by the Organiser, each Exhibitor shall have a period of 10 working days to inform the Organiser of their decision. If no reply is received from the Exhibitor within the time limit specified, the Organiser reserves the right to decide which option shall apply.

6.2.1 – If the Event is postponed ("postponement" being understood to mean a new date within 12 months of the previously announced date):

- **CASE 1:** If the Exhibitor accepts the postponement: Its Contract is automatically transferred to the new date. The amount due under the Contract shall remain due in full, with each Party responsible for paying its own costs linked to the change of date.

- **CASE 2:** If the Exhibitor does not accept the postponement of their participation in the Event (whatever the reason for the refusal, including a case of force majeure impacting it), then the Exhibitor may select one of the following two options:

- **Option 1:** To receive a credit note for a future event organised by the Organiser, corresponding to the amounts already paid by the Exhibitor in performance of the Contract;
- **Option 2:** The sums already paid by the Exhibitor shall be refunded in full. This refund shall be subject to a deduction equivalent to 25% of the overall total due under the Contract (exc. VAT) in order to cover part of the costs incurred by the Organiser in the event of the postponement being announced less than 30 days before the initial date of the Event.

6.2.2 – If the Event is cancelled, the Exhibitor may select one of the following two options:

- **Option 1:** To receive a credit note for a future event organised by the Organiser, corresponding to the amounts already paid by the Exhibitor in performance of the Contract;
- **Option 2:** The sums already paid by the Exhibitor shall be refunded in full. This refund shall be subject to a deduction equivalent to 25% of the overall total due under the Contract (exc. VAT) in order to cover part of the costs incurred by the Organiser, if the postponement is announced less than 30 days before

the initial date of the Event.

If the Event is postponed several times, the "initial date" is understood to be the date announced at the time of the previous postponement.

Only the "physical" part of the Event is postponed or cancelled, the above conditions shall only apply to the part of the Contract amount associated with the Exhibitor's physical presence at the Event.

ARTICLE 7 – FRUSTRATION OF PURPOSE – The Exhibitor and the Organiser agree to waive the application of the provisions of Article 1195 of the French Civil Code.

ARTICLE 8 – EXHIBITORS' OBLIGATIONS – By concluding a Contract with the Organiser, the Exhibitor is obliged to occupy the exhibition space allocated by the Organiser, within the time frames specified by the latter in the Exhibitor Space/Exhibitor Guide, and to leave their exhibition stand installation in place until the closing of the Event. It is strictly forbidden for Exhibitors to pack up or remove their equipment before the closing of the Event. On a general level, Exhibitors must strictly comply with the regulations in force, as well as any other regulation that may be added or substituted, and in particular regulations concerning intellectual property, subcontracting, health, safety and clandestine work. The conclusion of the Contract implies that Exhibitors agree to fully comply with any measures concerning law and order that may be recommended by the authorities or the Organiser. Any breach of the contractual documents, as described in Article 1 above, and any other provision referred to herein, or any other provision that is legally binding on the Exhibitor, may result in the immediate temporary or permanent exclusion of the Exhibitor by operation of law, with no compensation or reimbursement of any amounts paid, without prejudice to any damages for the Organiser. The Organiser declines all responsibility for the consequences of non-compliance with the contractual documents and/or the regulations in force. This exclusion may be valid both for the duration of the Event and for any other subsequent event organised by the GL events group, if the seriousness of the offence so warrants.

Exhibitors are obliged to participate in the Event within the professional category to which their product samples belong. They may only exhibit the products for which they made their participation request. They may only distribute catalogues and leaflets exclusively relating to the objects they are exhibiting.

ARTICLE 9 – NOMENCLATURE/SAMPLES OR ITEMS ALLOWED

– The Exhibitor shall exhibit their products under its own name or company name. They may only display in their exhibition space the materials, products or services listed in the Participation File Form, and accepted by the Organiser as corresponding to the nomenclature of the Event, under penalty of exclusion from the Event and/or the termination of the Contract. Exhibitors may not advertise in any form whatsoever for non-exhibiting third parties, or for the products of those third parties, unless they have been expressly authorised to do so by the latter. To this end, when sending the Participation File to the Organiser, Exhibitors must produce the specific authorisation certificate issued by the third parties. Exhibitors are responsible for taking all necessary steps to ensure that their parcels are delivered in good time.

ARTICLE 10 – PROHIBITED SAMPLES – Explosive materials, detonating products and, in general, any hazardous or harmful materials are strictly prohibited, unless express prior authorisation has been granted by the Organiser. Any Exhibitor that brings such products onto their stand without the prior express authorisation of the Organiser shall be required to remove them immediately, at the request of the Orga-

niser. Failing this, the Organiser shall have the items removed at the Exhibitor's expense and risks, without prejudice to any legal proceedings that may be filed against the Exhibitor concerned. The installation or operation of any object or device that may disturb other Exhibitors and/or the Organiser in any way is strictly prohibited.

ARTICLE 11 – NON-ASSIGNABILITY (TOTAL OR PARTIAL TRANSFER) – The exhibition space allocated to an Exhibitor must be occupied by the said Exhibitor. The transfer of all or part of an exhibition space in any form whatsoever is strictly forbidden, under penalty of immediate closure of the exhibition space and the early termination of the Contract by the Organiser.

ARTICLE 12 – LEAFLETS, LOUDSPEAKERS, SOLICITATION – Leaflets may only be distributed within the exhibition spaces allocated to each Exhibitor, unless specific additional communication services have been purchased or expressly authorised by the Organiser. The use of loudspeakers for solicitation or advertising, in any way whatsoever, is strictly prohibited. Audio announcements during the Event are reserved for information about services that may be of interest to exhibitors and visitors. Advertising or personal announcements are not allowed.

ARTICLE 13 – SIGNS, POSTERS, COMMUNICATION
13.1 SIGNS, POSTERS – It is forbidden to place signs or advertising panels outside the exhibition space in locations other than those reserved for this purpose, and which are indicated on the drawings sent to Exhibitors at their request, unless specific additional communication services have been purchased. Signs or posters put up inside the exhibition space and visible from the outside must be approved by the Organiser, which may refuse them if they interfere with the order or smooth running of the Event, or if they contravene the very nature or purpose of the Event. The same provision shall apply to the advertising panels made available to Exhibitors on the Event site. In the event of non-compliance, the Organiser shall have any signs, posters or panels in breach of the Contract removed, at the Exhibitor's expense, risks and perils and without any prior notice. The Exhibitor undertakes to comply with the provisions of French Law No. 91-32 of 10 January 1991 to protect public health from tobacco and alcohol use (the Loi Évin).

13.2 ONLINE COMMUNICATIONS – In order to optimise digital communications about the Event, the Exhibitor shall not create "event" pages on social media (Facebook, Twitter, LinkedIn, etc.) for their presence at the Event, or for the Event in general. Exhibitors are invited to share the "event" pages created by the Organiser.

13.3 GENERAL COMMUNICATIONS – If, with the agreement of the Organiser, the Exhibitor communicates about the Event via digital media (websites, social media, apps, etc.) and/or physical media (advertising inserts, press releases, etc.), these communications must comply with the Graphics Guidelines for the Event, as well as any other instructions issued by the Organiser relating to the communications concerned.

ARTICLE 14 – PHOTOGRAPHS, FILMS, SOUNDTRACKS

Photographs, video films and soundtracks made by professionals on the premises of the venue hosting the Event may be authorised, subject to written agreement from the Organiser. A draft or copy of the media must be given to the Organiser within fifteen days after the close of the Event. This authorisation may be withdrawn at any time and for any reason. Exhibitors expressly authorise the Organiser to use any photos or films representing their exhibition space (including all representations of their brands, logos, products or animals, unless they expressly notify the Organiser of their refusal) produced during the Event for

its own exclusive promotion, on whatever medium (including the websites operated by the Organiser).

Exhibitors hereby authorise the Organiser – who reserves the right for the purpose of commercial references and for its own promotion – to reproduce and distribute all or part of (i) their image (ii) photographs and/or videos representing the Exhibitor (including its employees, collaborators, representatives or agents) and its exhibition space, (iii) the Exhibitor's trade name and/or brand on all physical or digital media, notably in the Organiser's Group catalogue, institutional brochure, sales documentation, press and advertising publications, websites, and pages created on social networks or on smartphone applications, as well as through all other forms/formats of publication in France and abroad for a period of 5 (five) years from the date of the Event.

To this end, Exhibitors declare and guarantee that they are the exclusive holders of the rights attached to the elements referred to above and that they therefore possess all the rights and authorisations needed to authorise the use granted to the Organiser, failing which the Exhibitors shall expressly warn the Organiser or guarantee and indemnify the Organiser against all claims that might be brought concerning the use of the rights mentioned above.

Exhibitors waive any right to remuneration in this respect as well as any right of use pertaining to any potential communication actions by the Event's partners. Any comments or captions accompanying the reproduction or representation of the photos/videos must not be detrimental to the Exhibitors' image and/or reputation.

ARTICLE 15 – PERSONAL DATA - COMPLIANCE

15.1 Processing of personal data by the Organiser

In accordance with French Act No. 78-17 of 6 January 1978, as amended, and Regulation (EU) 2016/679 (GDPR), the Organiser, as the data controller, must process the personal data provided by Exhibitors within the framework of their request to participate in the Event. Providing the personal data requested in this context is required to process the above-mentioned request, and is therefore necessary for the request to be taken into account.

The personal data is processed for the following purposes:

- A) To manage and monitor the contractual or pre-contractual relationship (processing of participation requests, quotes, orders, invoicing, management of unpaid invoices and disputes, management of stand installation, publication of certain data in the Exhibitor Area);
- B) To operate, develop and manage customer/prospect databases (sending newsletters, commercial prospecting, organisation of competitions, processing requests to exercise rights, managing contact requests, organising business meetings);
- C) To improve and personalise the services provided to the Exhibitor (statistics, satisfaction surveys, newsletter subscriptions);
- D) To transfer personal data to the Organiser's partners as part of a business relationship (transfers);
- E) To ensure compliance with legal obligations.

The legal basis for the processing of personal data, whose purpose falls within the above-mentioned categories, is:

- For category A): the performance of the Contract or the fulfilment of pre-contractual measures taken at the Exhibitor's request.
- For categories B) and C): the legitimate interest that these categories represent for the Organiser.
- For category D): the Exhibitor's consent. This may be withdrawn at any time afterwards.
- For category E): compliance with legal

obligations.

The recipients of these personal data are the relevant departments in the Organiser's organisation, the Organiser's partners or GL events Group companies (if relevant), and certain service providers. Some of these recipients may be located outside the European Union. When deemed necessary, appropriate safeguards have been put in place, particularly through the inclusion of standard data protection clauses adopted by the European Commission. The Organiser shall retain personal data for the time required to perform the operations for which it was collected, in accordance with the aforementioned Regulation 2016/679, and for the time required to fulfil its legal obligations and/or, if the Organiser carries out commercial prospecting, for a maximum period of three years from the last effective contact with the prospect/customer, unless exceptions are justified by a particular context.

The Exhibitor has rights of access, erasure and rectification of its personal data, as well as the right to data portability, the right to limit the processing of its data, and the right to define general and specific directives specifying the way in which it wants its rights to be exercised in the event of their death. The Exhibitor is expressly informed that it also has the right to object to the processing of its personal data on the grounds of legitimate reasons, and the right to object to the use of such data for commercial prospecting purposes.

To exercise their rights, Exhibitors must send a letter to the Organiser – specifying their last name, first name and the postal address at which they wish to receive the reply – to the following address: GL events, Service DPO – Compliance, 59 quai Rambaud, 69002 Lyon, France or by email, using the following address: data.strasbourg-events@gl-events.com.

Exhibitors may file any complaints with the CNIL (French Data Protection Authority).

15.2 Processing of personal data by Exhibitors
 Exhibitors are fully and individually responsible for the personal data processing operations that they carry out. In this respect, Exhibitors undertake to comply with the obligations that apply to any data controller and, notably, to transfer the personal data collected to the Organiser, if need be, in accordance with the requirements of the legislation and regulations in force.

Furthermore, Exhibitors expressly guarantee the Organiser against any complaints, claims and/or demands from third parties that the Organiser may be subject to, due to an Exhibitor's failure to fulfil its obligations as data controller. Exhibitors shall compensate the Organiser for any prejudice suffered and shall pay all costs, compensation, fees and/or court orders that the Organiser may have to bear due to their failing.

15.3 Code of Business Conduct

The GL events Group has established a CODE OF BUSINESS CONDUCT that sets out the values defended by the Group and defines the rules the Group follows, and therefore asks its partners to comply with. The Code can be downloaded at the following page: <https://www.gl-events.com/fr/ethique-conformite>. Exhibitors declare that they have read and accept the terms of this Code.

15.4 Fight against corruption and influence peddling

The Parties establish their business relations on the principles of transparency and integrity. The GL events Group has an ANTI-CORRUPTION CODE OF CONDUCT which can be downloaded at the following page <https://www.gl-events.com/fr/ethique-conformite>.

In accordance with these principles, the business relations and negotiations between the Parties shall not lead to any type of conduct or action on their part – or that of their directors, managers or employees – that may be qualified as active or passive corruption or influence peddling. During their relationship,

the Parties reserve the right to ask each other what measures they have taken to ensure that their legal representatives, employees, subcontractors, suppliers and agents, or any third party that they may commission, adhere to the same commitments and comply with the principles of transparency and integrity. This Article constitutes an essential commitment in the relationship between the Parties.

ARTICLE 16 – EXHIBITION SPACE CONDITION – The exhibition spaces must be kept in impeccable condition Bulk packaging and items not used for the presentation of the exhibition space, as well as the staff cloakroom, must be kept out of sight of visitors. The exhibition space must be permanently occupied by a competent person during opening hours. Exhibitors shall not empty their exhibition space or remove any of their items before the end of the Event, even if the Event is extended. It is forbidden to leave exhibits covered during the opening hours of the Event, and the protective covers used during the night must not be seen by visitors. They must be stored within the exhibition space out of sight. The Organiser reserves the right to remove any items that are in breach of safety regulations, and cannot be held responsible in any way for any resulting damage or loss. Any person employed for the Event by Exhibitors must be properly dressed, always courteous and well presented. They shall not in any way challenge or disturb visitors or other Exhibitors.

ARTICLE 17 – USE – MODIFICATION OF EXHIBITION SPACES – DAMAGES, LOSS OF USE

Exhibitors shall take exhibition spaces allocated to them as they are and shall maintain them in the same condition. The Organiser is responsible for the final allocation of the exhibition spaces and shall do its best to take into account the wishes expressed by the Exhibitors, in relation to the strategic positioning of the Event and the products or services concerned, as well as the exhibition spaces available on the date the Participation File was received. Making changes (external appearance, numbering, height of the structures delivered, etc.) to the exhibition spaces is strictly prohibited.

Exhibitors shall be responsible for any damage caused to equipment, buildings or trees, and to the ground they occupy, caused by their installations, personnel or animals and must pay for the cost of repair work. The Exhibitors' exhibition space must be laid out and equipped in accordance with the rules set out in the Exhibitor Area/Guide, notably with regard to the configuration of the premises and compliance with the provisions of the safety specifications. Exhibitors with spaces located outdoors shall submit the plans of the constructions they would like to erect on their exhibition spaces to the Organiser. If, due to an unforeseen incident or event beyond its control, the Organiser cannot deliver the exhibition space assigned to an Exhibitor, the latter shall not be entitled to any compensation other than the reimbursement of the participation fee. However, no refund shall be payable if the Exhibitor has been given another exhibition space by the Organiser.

Exhibitors must take care of the equipment placed at their disposal, under penalty of paying the costs to replace the damaged equipment. The installations shall be set up in accordance with the safety regulations in force. Companies that decorate stand interiors are not authorised to handle or carry out electrical installations.

Exhibitors shall inform the Organiser about the characteristics of all the equipment they wish to install, as soon as requested.

Should an Exhibitor fail to comply with the conditions specified in the documents constituting the Contract regarding the use and installation of additional fittings, special equipment, or specific installations, the Organiser shall automatically remove the items concerned, at the Exhibitor's expense and risks, without prejudice to any additional compen-

sation that the Organiser may claim from the Exhibitor.

Safety: For the entire duration of the Event, the Exhibitor must comply and ensure compliance by all people visiting its exhibition space (visitors, service providers, etc.), under its sole responsibility, with all provisions relating to safety and, more generally, the running of the Event. The Exhibitor must be present during the safety commission's visit and must be able to provide any official documents (classification report, etc.) that the commission may request.

ARTICLE 18 – APPROVED COMPANIES – The companies approved by the Organiser are the only companies authorised to carry out work, to provide services, or to supply equipment, whether the latter be mandatory or optional within the context of the Event.

ARTICLE 19 - POWER AND FLUID DISTRIBUTION

19.1 The Organiser is dependent on utility companies for the distribution of fluids (notably water) and power and cannot be held responsible in the event their distribution is interrupted, whatever the period of time involved.

19.2 For safety reasons, only persons appointed by the Organiser are authorised to work on the Event's electrical networks or to open the electrical boxes and cabinets, which must remain accessible to them at all times, while being out of reach of the general public. There is no guarantee the electricity supply will not be subject to mini-outages and/or outages attributable to the electricity supplier.

19.3 Internet access/Wi-Fi service

Exhibitors undertake to use the Internet/Wi-Fi service in accordance with the legislation in force. The Organiser cannot be held liable in any way whatsoever for any messages, data, files, content or signals sent and/or received by Exhibitors while using the internet/Wi-Fi service made available by the Organiser, nor for the possible illicit nature of the websites and content visited, consulted or placed online by an Exhibitor when using the service. Consequently, Exhibitors shall guarantee the Organiser against all direct or indirect, material or non-material damage caused by their use of the Internet/Wi-Fi service.

19.4 Exhibitors acknowledge that they are aware of the risk of breaches in the security and confidentiality of data and content sent and/or received on the Internet. Exhibitors are solely responsible for the measures used to protect the security and confidentiality of their data, content and applications while using the Internet and Wi-Fi services. Furthermore, any connection to the Internet and Wi-Fi service made using the identifiers allocated to a given Exhibitor shall be deemed to have been made by the latter.

ARTICLE 20 – WASTE DISPOSAL – The Organiser reserves the right to pass on all or part of the costs, taxes and constraints incurred pursuant to the applicable regulations. The Organiser shall also make the Exhibitors aware that it is in their interest to manage the waste that they produce.

ARTICLE 21 – OPENING HOURS, ACCESS AND CIRCULATION

– The exhibition spaces are accessible to the Exhibitors and visitors on the days and times specified in the Exhibitor Space/Exhibitor Guide. The electricity supply shall be shut off and Exhibitors are formally forbidden from entering the halls after the closing of the Event. Exhibitors must comply with the conditions concerning access to and circulation within the Venue's indoor and outdoor areas, as set out in the Venue's internal regulations.

ARTICLE 22 – PARKING – If necessary, additional parking spaces can be rented by completing a specific form found in the Exhibitor Space/Exhibitor Guide, which sets out the corresponding rights and obligations. Owners park their vehicles at their own risks, as the fees charged only cover parking and not security.

ARTICLE 23 – CATERING STANDS – Any Exhibi-

tor operating a stand providing catering must comply with the applicable regulations and declare their activity to the relevant health & safety services (Direction Départementale de la Protection des Populations – French Regional Directorate in charge of protecting the population), who have the right to visit the Event.

ARTICLE 24 – RETURNING THE EXHIBITION SPACE

– All of the Exhibitors must immediately remove their samples and fixtures, furniture, and decorations when the Event closes. The Organiser expressly declines all responsibility for any objects and equipment left behind beyond the deadline specified above. In the event of an accident caused by an Exhibitor's objects or equipment, the Organiser reserves the right to have the Exhibitor's exhibition space cleared automatically and at any time, at the Exhibitor's expense, risk and peril, without prejudice to any damages and interest the Organiser may claim.

ARTICLE 25 - CANCELLATION, FAILURE TO OCCUPY THE EXHIBITION SPACE

Cancellation – In the event of the Exhibitor cancelling the entire order(s), for any reason whatsoever (including force majeure), the Exhibitor shall pay the Organiser compensation, calculated as follows:

- 1/ Cancellation between the date of the Contract being signed and the 120th day before the opening date of the Event: 50% of the total due under the Contract;
- 2/ Cancellation between the 119th and 45th days before the opening date of the Event: 75% of the total due under the Contract;
- 3/ Cancellation between the 44th day before the opening date of the Event and the Event's start date or during the Event: 100% of the total due under the Contract.

Under all circumstances, the Exhibitor must notify the Organiser of the cancellation request by letter, sent with tracked delivery and acknowledgement of receipt. The date of receipt shown on the receipt slip shall act as the reference date between the Parties.

If a total cancellation is requested following a postponement or cancellation of the Event by the Organiser, the terms set out in Article 6.2 shall apply, notwithstanding the provisions of this Article.

In the event an Exhibitor cancels part of their order (reduction in surface area and/or cancellation or modification of the services ordered), the penalties specified above shall be applied proportionately to the amount corresponding to the surface area and/or services cancelled. This provision shall apply even if the Event is changed or postponed.

Failure to occupy – Stands or exhibition spaces that are not used within the time-frames specified in the Exhibitor Space shall be deemed unoccupied; the Contract shall then be lawfully terminate and the Organiser may, by express agreement, use the spaces as it wishes. The full amount of the Contract (order for the Provision of Services and, if applicable, additional services) shall remain payable to the Organiser. These provisions shall not apply if the failure to occupy the space is due to one of the situations mentioned in Article 6.2 of this Contract.

ARTICLE 26 - MANDATORY INSURANCE

26.1 Civil Liability Insurance - Exhibitors must have professional civil liability insurance covering their activities and the financial consequences of any damage caused by one of their employees and/or one of their subcontractors and/or persons/service providers appointed by them and/or caused by their goods, furniture or equipment.

Exhibitors shall maintain these guarantees and insurances for the entire duration of this Contract and provide proof of this to the Organiser when requested.

26.2 Property Damage Insurance

When it is proposed, Exhibitors shall take out property damage insurance guaranteeing their goods for a value of up to €10,000 (ten thousand euros), put in place by the Organiser and indicated on the participation request form. Beyond this coverage, the Organiser may request an additional insurance guarantee. In the event of damage to their equipment, the Exhibitors and their insurers shall waive all claims against the Organiser and its insurers. The clauses, guarantees, deductibles and exclusions (in particular theft) are set out in the detailed information sheet sent to the Exhibitor upon request. The insurance terms and conditions are subject to change in accordance with the requirements of the insurers. Any changes shall be accepted by the Exhibitors, who shall not consider these as being of such a nature as to call the Contract into question. The period of coverage provided by this mandatory insurance covers the period during which the Event is in operation and until it closes to the public. Outside this period, the Organiser declines all responsibility for any theft and/or damage.

If no such insurance is proposed, Exhibitors must take out property damage insurance with the insurer of their choice, guaranteeing their goods for a value of not less than €10,000 (ten thousand euros). In the event of damage to their equipment, the Exhibitors and their insurers shall waive all claims against the Organiser and its insurers. Exhibitors shall maintain these guarantees and insurances for the entire duration of this Contract and provide proof of this to the Organiser when requested. If the Exhibitor has taken out property damage insurance, as described above, the Organiser declines all liability in the event of theft and/or damage.

In any case, the Organiser may not be held liable for any damages, including theft, loss, destruction, etc., regarding the Exhibitor's personal belongings and effects, particularly laptops, tablets, phones, and, more generally, any electronic devices, cash or valuables, as well as any works of art or collectors' items, jewellery and furs, precious stones, pearls, or watches.

26.3 Outdoor exhibition spaces – The coverage set out in section 26.2 above does not apply to outdoor exhibition spaces. The Organiser cannot be held responsible in the event of theft, deterioration or any other material or non-material damage, whether subsequent or not, involving the property and equipment belonging to Exhibitors or in their custody, whatever the nature of the items. To this end, the Exhibitors and their insurers shall waive all claims against the Organiser and its insurers, whatever the grounds. Exhibitors are therefore responsible for insuring the goods/items that belong to them or that are in their custody against theft, deterioration or any other material or non-material damage, whether subsequent or not.

ARTICLE 27 – DISTURBANCES – As the agreement between the Exhibitor and the Organiser is of a personal nature, the Exhibitor must behave in a manner consistent with the general interests of the Event, particularly with regard to visitors and other participants. With this in mind, in the event of a dispute or disagreement with the Organiser or other Exhibitors, they hereby undertake not to do anything that could harm the smooth running of the Event. Any attitude that is detrimental to the smooth running of the Event and any failure to comply with provisions of the contractual documents may result, at the Organiser's initiative, in the offender's immediate exclusion from the Event and the termination of the Contract.

ARTICLE 28 – PAYMENT - The deposit mentioned in the Participation Form is payable when the Exhibitor orders the Services from the Organiser, as set out in Article 1 above, and as soon as the Participation Form is signed.

- Orders concerning technical services can only be processed if all previous invoices have been paid in full.

- Technical services ordered cannot be delivered to an Exhibitor that has not settled its remaining balance due.

- If the deposit or the outstanding balance have not been paid by the Exhibitor within the deadlines specified, the Organiser reserves the right to terminate the Contract and/or to re-market the exhibition space initially offered to the Exhibitor concerned.

The invoice(s) shall state the date on which payment is to be made, without any discounts.

In accordance with the provisions of Article 1223 of the French Civil Code, any price reduction requested by an Exhibitor in the event of the Organiser's failure to meet its contractual obligations must be expressly accepted by the Organiser beforehand.

Any delay in the Exhibitor's payment of the sums owed by the due date, for whatever reason whatsoever, shall (after prior notice has been served) result in the payment of interest on the outstanding amount. This interest shall be calculated on the basis of the interest rate applied by the European Central Bank to its most recent refinancing operation, increased by ten (10) percentage points, although this rate may not be less than three times the legal interest rate applicable on that date (depending on the due date, the ECB rate applicable during the first half of the year in question shall be the rate applicable on 1st January of the year concerned and the rate applicable during the second half-year period shall be the rate applicable on 1st July of that year). The Exhibitor shall also be liable to pay a fixed compensation sum to cover debt collection costs for commercial transactions, as provided for in Articles L.441-10 and D.441-5 of the French Commercial Code, as well as for any additional compensation amounts, upon presentation of supporting documents.

ARTICLE 29 – SALE TO INDIVIDUALS, TAKE-AWAY SALES, AND TASTINGS – Exhibitors must comply with applicable regulations governing sales to consumers and distance selling. Sales and order placements are authorised during the Event, subject to compliance with the applicable regulations. Visitors must have a valid invoice from the Exhibitor in order to take goods out of the venue. All Exhibitors involved in sales must keep an inventory of incoming and outgoing goods. Each Exhibitor must be able to present their inventory book to the expert inspector at any time, or the goods may not be included in the insurance coverage. Auction sales, "pyramid selling", "hard selling" and "up-selling" are prohibited. Any Exhibitor who uses the above-mentioned sales techniques may have their Contract immediately terminated by the Organiser by operation of law, and may be liable to pay damages, without prejudice to the fact that the Exhibitor may be brought into third-party proceedings in the event that a claim is made against the Organiser by a consumer or a representative of the latter who is the victim of such a practice. The sale of food products and beverages is subject to a prior written request being sent to and approved by the Organiser. If an authorisation to sell food and beverages is granted, the Exhibitor concerned must comply with the specific regulations applicable.

ARTICLE 30 – DISPLAY OF PRICES – CONSUMER INFORMATION

The Exhibitor must comply with the applicable regulations regarding the display of prices.

In accordance with the provisions of Article L.224-59 of the French Consumer Code, Exhibitors shall inform their consumer customers that their purchases do not give rise to a right of withdrawal:

- through the display of a sign in their exhibition space: Exhibitors shall display a panel that can be clearly seen by consumers and which is no smaller than A3 in size, using a font size no smaller than 90mm, with the following sentence written upon it: "Consumers do not be-

nefit from the right of withdrawal for any purchase made at [this fair] or [this exhibition] or [on this stand]" (French ministerial Decree of 2 December 2014);

- through an inset box placed in its contract proposals: Contract proposals concluded by the Exhibitor with its consumers shall clearly include, in an inset box located in the contract header and using a font size no smaller than size 12, the following sentence: "Consumers do not benefit from a right of withdrawal for any purchase made at a fair or trade show" (French ministerial Decree of 2 December 2014).

However, Exhibitors may voluntarily grant a right of withdrawal for purchases made in their exhibition space.

NOTE: a right of withdrawal shall apply to contracts that involve a consumer credit agreement and those resulting from a personal invitation to come to an exhibition area to collect a gift.

Finally, Exhibitors are informed of the fact that, in view of current jurisprudence (Judgment of 17 December 2019, case 465/19 B & L Elektrogeräte GmbH), if the purchase is made as a result of the Exhibitor's canvassing outside its exhibition space, the visitor may exercise a right of withdrawal.

ARTICLE 31 – CIRCULATION OF ALCOHOL – The Exhibitor subject to regulations concerning indirect taxes must, at their own initiative, complete the formalities imposed on it in terms of a temporary licence or duties. Over the course of the Event, the tax authorities have the right to visit the stands.

ARTICLE 32 – EXHIBITOR'S RESPONSIBILITIES –

The Exhibitor is solely responsible for its exhibition space and any furniture/animals in the said space, with regard to participants, service providers appointed by the Exhibitor, visitors or guests, as well as the Organiser.
