## THE ONLY COMPETITION IN THE WORLD

Entirely dedicated to the diversity of white wines,  
under the Patronage of the OIV

**2<sup>nd</sup> and 3<sup>rd</sup> October 2021**

**At the Congress Centre Strasbourg – France**

## THE SHOWCASE OF THE BEST WHITE WINES IN THE WORLD DEDICATED TO THE WINEGROWERS

Edition after edition, thanks to the support of mobilized official wine organizations and wine judges themselves within their countries, we can rely on 20 competing countries.

The list of the prize-winners can be considered as the reflect of worldwide trends and evolutions of the viticulture in the 5 continents. The work, dynamism and daring of wineries and wine regions are highlighted and rewarded.

A significant example: **Chile, which entered the competition for the first-time last year, won the 2020 DRY WINE TROPHY in the emblematic RIESLING category.**

Will Chile keep its title in the 2021 edition? It also represents a great challenge for other competitors, whether they come from Old or New world! What a suspense!
